

Project Update: Joseph E. Boone Streetscape Improvement Project

City of Atlanta
Department of Public Works

Richard Mendoza, Commissioner

August 2015

Project: Joseph E. Boone Streetscape Improvement Project
Project ID#: PI 0006573 CD: 3 NPU: J & K Contractor: Tople Construction

Description: The Department of Public Works has begun construction of the Simpson Road Streetscape Improvement Project along Joseph E. Boone Boulevard from Woodlawn Avenue to West Lake Avenue. Improvements will include sidewalk installations, ADA ramps, signal upgrades, asphalt overlay, pedestrian lighting and bike lanes.

Project Scope:

- Construction of a 5' concrete pedestrian walk with 3' brick pavers section
- Traffic signal upgrades at the intersections of Joseph E. Boone Boulevard and West Lake Avenue, as well as, Joseph E. Boone Boulevard and Holly Road
- Asphalt overlay along Joseph E. Boone Boulevard from Woodlawn Avenue to West Lake Avenue
- Asphalt overlay along Woodlawn Avenue from Boone to Kennesaw Drive
- The installation of pedestrian streetlights

Phase: Construction

Schedule Status: On schedule

Construction Start Date: September 2013

Funding Sources: Federal TE (Transportation Enhancement) & Local City of Atlanta Funding

Project Status: This project is complete.

The Department of Public Works, in an ongoing effort to ensure that the community remains aware of progress being made with this project, will continue to keep the community informed through regular updates.
